*top*DENTISTS™

Dr. Cataldo is Board Certified in Periodontology and his professional associations include the American Academy of Periodontology, American Dental Association, North Carolina Dental Society, and many others. He also served as an Army reserve Dentist for 8 years.

“Dr. Cataldo specializes in Periodontics (gum disease), provides Dental Implants that can replace single or multiple missing teeth, and performs cosmetic dentistry procedures to aesthetically enhance your smile in a comfortable and relaxed environment. He also provides oral sedation to aid relaxation during procedures. The symptoms of Periodontal disease can include persistent breath odor; bleeding while brushing or flossing; red, tender, or inflamed gums; root exposure; loose or separating teeth; and sores in the mouth, but usually no pain. Periodontal disease is the main cause of tooth loss and can have detrimental systemic effects. Contact him for an evaluation today. Don't wait for it to hurt!”
