## Soft Tissue Biopsy

### Patient Information

Please be aware that our fee for a soft tissue biopsy is \$415.00. It includes:

- Completion of the biopsy and all follow-up care
- Payment of the laboratory fee
- Dental** insurance paperwork
- All laboratory paperwork
- Specimen Postage
- Photographic processing if necessary

Please note: occasionally a biopsy result will suggest an underlying systemic disease. In this event, further diagnostic evaluation and testing may be warranted and may need to be performed by your physician. Additional medical testing incurs additional costs which should be arranged through you and your medical insurance.

If you have any further questions please **do not hesitate to ask**. We want you to be fully informed.

Thank You,

Dr. Jason Cataldo
